Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Westampton Township Firehouse in fiscal year 2024. The entity to receive funding for this project is Westampton Township, located at 710 Rancocas Road, Westampton, NJ 08060. The funding would be used to replace Westampton Township's current firehouse with a state of the art, environmentally friendly firehouse. The current firehouse was built in 1978 and is not able to support operations to meet the increased community need – from 300 calls when the firehouse was built to 5,000 calls annually.

This project is an appropriate use of taxpayer funds because it will enhance public safety by enabling the Westampton Township Fire Department to protect the critical infrastructure within the township and surrounding mutual aid communities.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Kim
Member of Congress
