

# CHILDREN AND FAMILY RESOURCES

Dear Neighbors,

Our office receives regular inquiries about where to find essential resources. To help constituents, we've developed the following list of resources for children and families in New Jersey's Third Congressional District and beyond. This list includes organizations with a wide variety of services, from parenting education to family counseling. We're always looking for more organizations to add; if there are other organizations you would recommend to help our neighbors, please contact our office.

Sincerely,
