

# DOMESTIC VIOLENCE RESOURCES

Dear Neighbors,

Our office receives regular inquiries about where to find essential resources. To help constituents, we've developed the following list of domestic violence resources in New Jersey's Third Congressional District and beyond. This list includes organizations with a wide variety of services, from hotlines to shelters. The physical addresses of the shelters are not included here for safety, please call and organization will direct you to the location. We're always looking for more organizations to add; if there are other organizations you would recommend to help our neighbors, please contact our office.

Sincerely,
